Julia Viets  
President  
Law Library Association of Maryland

Dear Ms. Viets:

I write to thank you for the Law Library Association of Maryland's (LLAM) letter of support for H.R. 5305, the FDLP Modernization Act. AALL appreciates your advocacy in support of the bill, which would strengthen the Federal Depository Library Program and expand access to government information. We are hopeful the bill will pass the U.S. House of Representatives soon.

Thank you for all you do for LLAM and on behalf of the profession.

Sincerely,

A handwritten signature in dark ink, appearing to read "Greg Lambert", with a stylized, flowing script.
